sungguh.. Some issues arising from lock-in contracts - johng
===== el_ronno Until you are locked in you can still change
companies. When they get sick of you and want you gone.. just
leave. You can start a new company and the lock- in company
you were with will see it is locked in and reevaluate if they
want to continue. The threat of leaving will likely be enough to
change their mind. Sri Ram Nathram Sahay, also known as
Nathram, got his musical training from Vinay Sahay and Pandit
Anindito Mukherjee. He has rendered both Hindustani and
Carnatic music. In his early days he was one of the judge for
the Radio Madras Musical Quiz and composed music for plays
performed by the noted actor, Balraj Sahni. He also composed
music for theatre, and in 1951, he was awarded the Sangeet
Natak Akademi Fellowship by the government of India. Career
His first movie was Chameli (1946), with Dev Anand, with
music by Sachin Dev Burman (who was then head of the sound
department of the T.A. Balaji Music House). In the next movie

about 10 degrees cooler in the morning and up to 5 degrees hotter at night. I would like to add around 10 grams per gallon of methanol to the water. Is this safe for my fish or should I consider an aftermarket water chiller? A: It's perfectly safe. Thermometers are cheap. Get one. Additives that make the water 'methanol cool' are all just plain stupid. Methanol is going to cause your fish to be extremely lethargic
